

Big Game Seasons 2008

2008 Deer Hunting Seasons

Hunters with valid Idaho licenses and tags in their possession can hunt mule deer and white-tailed deer.

How many deer can I harvest? In general, the answer is one deer per hunter per year. But a few controlled hunts and depredation hunts offer the opportunity for hunters to harvest additional deer. Deer hunters also may buy leftover nonresident deer tags at the nonresident price to harvest a second deer in 2008. A hunter may take only as many deer as he or she has legal tags for.

Youth hunt only: Some deer hunts are for youth only. Only hunters 12-17 years of age with a valid license and tag may hunt antlerless deer in these hunts.

Antlered deer: Deer with at least one antler longer than 3 inches. In antlered only seasons, or any hunt with point restrictions, antlers must accompany the carcass while in transit.

Antlerless deer: Deer without antlers or with antlers shorter than three inches. May be taken in a season open for antlerless deer or either sex.

Two-point deer: Deer with no more than two points on one side, not including the brow point or tine, and at least one antler longer than three inches. A point is an antler projection that is at least one inch long and longer than the width of the projection.

Three-point deer: Deer having at least one antler with three or more points, not including the brow point or tine.

Four-point deer: Deer having at least one antler with four or more points, not including the brow point or tine.

Species identification: In seasons restricted to mule deer only or white-tailed deer only, if the head is removed, the fully-haired tail must be left naturally attached to the carcass.

Archery and Muzzleloader Permits

Any person hunting in an archery-only season, including controlled hunts, must have their license with archery permit validation.

Any person hunting in a muzzleloader-only season, including controlled hunts must have their license with muzzleloader permit validation.

Attention Deer Hunters!

Deer hunters may choose either a regular deer tag or a white-tailed deer tag. The regular deer tag is valid for any hunt listed under "2008 Regular Deer Tag Seasons" on pages 9-13.

The white-tailed deer tag is valid for white-tailed deer only, for any hunt listed under "2008 White-tailed Deer Tag Seasons" on pages 14-17.
